

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Public Benefits Program Update: Programs for Low-Income Customers and Other Energy Conservation Programs (EUD)

MEETING DATE: September 5, 2001

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: None required.

BACKGROUND INFORMATION: Rob Lechner, Manager of Customer Programs will be at the meeting to update the City Council on our continuing effort to notify the general public of the various energy efficiency and conservation rebate programs currently available.

Currently, the City of Lodi Electric Utility provides information regarding the various rebate programs via a number of methods, including: bill stuffers (information provided to customers in their monthly City of Lodi utility bill), the 'Lodi Utility News' newsletter, and an occasional newspaper advertisement. City of Lodi Electric Utility staff believes that a brief presentation each month during a City Council meeting will further highlight the important energy conservation programs and rebates offered to residential, commercial and industrial customers.

FUNDING: Not applicable

Alan N. Vallow
Electric Utility Director

PREPARED BY: Rob Lechner, Manager of Customer Customers
